October 6th, 1924.

To the Members of the Austin  
Municipal Golf & Amusement Ass'n:-

The Lions Club will open the municipal golf course for play on November 1st. The first nine holes are ready for play, and the second nine will be ready in about two months -- or January 1st.

We must now issue membership cards to the members. As you doubtless know you are entitled to two membership cards to any two members of your family. You must designate which two members of your immediate family to whom you wish cards issued. Remember the membership cards are nontransferable, and violations will forfeit that particular card.

Dues commence on November 1st, and are payable quarterly in advance. The dues amount to \$1.00 per month for both members--which is equivalent to fifty cents per member.

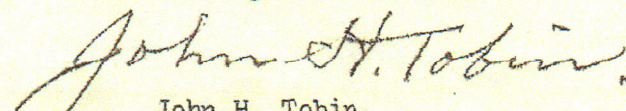

Our plans are to issue these membership cards on October 20th. In order to do this we must have the names of the members to whom to issue the cards. We must also have your check for the balance due on your membership fee of \$25.00 together with an additional amount of \$3.00, the same being for dues in advance for November, December and January. Membership cards cannot be issued until you are clear on the books, both as to membership fee and dues in advance for one quarter. A statement of the balance due on your membership fee is enclosed herewith. To this amount add \$3.00 for dues.

Therefore kindly comply with the two following requirements at the earliest possible date.

1. Send in your two names (full names and addresses) for membership cards.
2. Send in your check for the balance due on your membership fee plus \$3.00 dues.

Mail this information, together with your check to E. P. Cravens, Treasurer, Littlefield Bldg., Austin, Texas.

Yours for a greater Austin,

  
John H. Tobin,  
Chairman Lions Club Golf Committee.
